Things to Remember:

- Eggs are available to be "hunted" on Saturday, April 3rd and Sunday, April 4th
- For every picture you send in of you with a different egg location, that will count as an entry into the draw for Calgary Flames Jerseys, gift cards, board games, blankets and more!
- Eggs may be displayed in a tinted window so look carefully. If they cannot be seen in the picture that is okay as long as we can see the member at that location.
- Please do not enter the building, unless they are open and you are following mask/physical distancing protocols - you are able to go in say hi, thank them for supporting Special Olympics Calgary, or if you are able to support their business.

Submit your clue matches via the online form and send your photos to nadine@specialolympicscalgary.ca by **midnight on Monday, April 5th** to be eligible for prizes!

If you would like additional assistance finding the eggs at the locations, you can use the prompts below:
